A Poetical Manual of Authority. [Wilkes's Spirit of the Times says for Whist there is nothing so good as the rhyming rules first published in "Pole on Whist" and we sur render space for their reproduction.] If you the modern game of Whist would

know, From this great principle its precepts flow: Treat your own hand as to your partner's joined. And play, not one alone, but "both com-

bined. Your first lead makes your partner under-

stand What is the chief component of your hand: And hence there is necessity the strongest That " your first lead be from your suit that's

first place: With "Ace," "Queen," "Knave," lead "Ace and then the "Queen;" With "Ace, four small ones." "Ace" should

first be seen: With "Queen," "Knave," " Ten," you let the

"Queen " precede : In other cases you the "lowest" lead.

Ere you return your friend's, your "own" suit play. But "trumps you must return without delay." When you return your partner's lead, take

KIDNEY AND LIVER CURE. WARNER'S SAFE

Kidney and Liver CURE.

The greatest of Modern Medical Discoveries. A Vegetable Preparation and the ONLY SURE REMEDY in the world for Bright's Disease, Diabetes and all Kidney, Liver and Urinary Diseases. There are a large number of testimonials of the highest character in support of these statements. Prof. Green, a distinguished allopathic physician of the South, in an article in the Medical Record, gives an account of the cure of two cases of Chronic Bright's Disease by this remedy, and advises all his brother physicians to use it in practice. R. Caulkins, M. D., of Rochester, N. Y., writes that he would prescribe the remedy to all afflicted with serious Kidney and Liver Diseases. Rev. J. E. Rankin, D. D., of Washington, D. C., tells of permanent cures effected by it, and says: "I do not doubt that it has great virtue." D. W. Bartine, M. D., D. D., of East Orange, N. J., certifies that it cured him of chronic Bright's Disease in two weeks. Rev. C. A. Harvey, D. D., Secretary of Howard University, certifies; "I am convinced that no remedy heretofore nsed or described can be held for one moment in comparison with this." These are sample testimonials.

"I have been afflicted for twenty years with an obstinate skin disease, called by some M. D.s' psorfasts and others, leprosy, commencing on my scalp, and in spite of all I could do, with the help of the most skilful doctors, it slowly but surely extended, until a year ago this winter it covered my entire person in form of dry scales. For the last three years I have been unable to do any labor, and suffering intensely all the time. Every morning there could be nearly a dustpanful of scales taken from the sheet of my bed, some of them half as large as the envelope containing this letter. In the latter part of winter my skin commenced cracking open. I tried everything, almost, that could be thought of, without any relief. The 12th of June I started West in hopes I could reach the Hot Springs, I reached relief. The 12th of June I started West in hopes I could reach the Hot Springs. I reached Detroit and was so low I thought I should have to go to the hospital, but finally got as far as Lansing, Mich., where I had a sister living. One Dr. — treated me about two weeks, but did me no good. All thought I had but a short time live. I carnestly prayed to die. Cracked through the skin all over my back, across my ribs, arms, hands, limbs, feet badly swollen, toe nails came off, finger nails dead and hard as bone, hair dead, dry and liteless as old

Brandy as a Medicine. The following article was voluntarily sent to Mr. H. E. Slaymaker, Agent for Reigart's Old Wine Store, by a prominent practising physi-cian of this county, who has extensively used the Brandy referred to in his regular practice

Indigestion and Dyspepsia.

BRANDY AS A MEDICINE. This now much abused Alcoholic Stimulant was never intended as a beverage, but to be used as a medicine of great potency in the cure of some of the destructive diseases which of some of the destructive diseases which sweep away their annual thousands of victims. With a purely philanthropic motive we pre-sent to the favorable notice of invalids—espe-cially those afflicted with that miserable dis-ease Dyspepsia, a specific remedy, which is nothing more or less than

Brandy. The aged, with feeble appetite and more or less debility, will find this simple medicine, when used properly, A Sovereign Remedy

or all their ills and aches. Be it, however

strictly understood that we prescribe and use but one article, and that is REIGART'S OLD BRANDY, Sold by our enterprising young friend, H. E. SLAYMAKER. This Brandy has stood the test for years, and has never failed, as far as our experience extends, and we therefore give it the preterence over all other Brandies, nomatter with how many jaw-breaking French titles they are branded. One-fourth of the money that is yearly thrown away on various impotent dyspepsia specifics would suffice to buy all the Brandy to cure any such case or cases. In proof of the curative powers of

Reigart's Old Brandy, In cases of Dyspepsia, we can summon num bers of witnesses—one case in particular we cite:—
A hard-working farmer had been afflicted with an exhaustive Dyspepsia for a number of years; his stomach would reject almost every kind of food; he had sour cructations constantly—no appetite—in fact, he was obliged to restrict his diet to crackers and stale bread, and as a beverage he used McGrann's Root Beer. He is a Methodist, and then, as now, preached at times, and in his discourses often declaimed carnestly against all kinds of strong drink. When advised to try

Reigart's Old Brandy, In his case, he looked up with astonishment, but after hearing of its wonderful effects in the cases of some of his near acquaintances, he at last consented to follow our advice. He used the Brandy faithfully and steadily; the first bottle giving him an appetite, and before the second was taken he was a sound man, with a stomach capable of directing anything which a stomach capable of digesting anything which he chose to eat. He still keeps it and uses a lit-tle occasionally; and since he has this medi-cine he has been of very little pecuniary bene-fit to the doctor.—A Practising Physician.
